Dear Volunteer Applicant:

Thank you for your interest in volunteering at Platte Valley Medical Center.

Once your application is received, you will be called for a personal interview with the Volunteer Coordinator. This will give you the opportunity to tell us about yourself, what type of position you're interested in and your availability. Please note - we do not offer short term volunteer opportunities. We ask for a 6 month commitment.; 2-4 hours a week.

**Important Information:** To comply with Colorado State law, all healthcare workers, including volunteers, are required to obtain an influenza vaccination or provide proof of the vaccination. Vaccine will be offered free of charge at Platte Valley Medical Center. If vaccine is received elsewhere, a written statement from a licensed healthcare provider specifying that the vaccine was administered and the date it was administered will be required.

Additionally, Platte Valley Medical Center requires all new volunteers to be tested for Tuberculosis and street drugs. Use of marijuana product for any reason is not acceptable. There is no charge for this testing. Further information regarding flu vaccinations, TB testing and drug screen will be provided by the Occupational Health Nurse.

We are delighted that you have taken the first step toward becoming a member of our volunteer team. If you have any questions about the application and/or orientation please feel free to contact us at 303-498-1580.

Sincerely,

Stephanie Aldrich
