

Endocrinology - Nurse Practitioner Or Physician Assistant Opportunity

(Experience with Endocrinology preferred)

SCL Health – Denver/Boulder area, CO

SCL Physicians (SCLP) out of Denver, Colorado is seeking a full time nurse practitioner or physician assistant who has experience and/or a strong interest in Adult Endocrinology. This position is based out of Lutheran Hospital in an outpatient setting with daytime hours. We offer a wonderful opportunity to collaborate with other providers in the office, including physicians, dietitians and patient educators, providing complete services to patients.

SCL Physicians is a young growing multi-specialty group within the Denver market. Collaborate as a team to provide comprehensive care within a medical home environment. We have much potential for a provider who seeks growth and work within a changing healthcare landscape supported by a quality focused system and like-minded colleagues. Become part of our future!

Compensation and Benefits

- SCL Health offers a competitive salary, health, dental and retirement benefits.

About SCL Physicians

SCL Physicians (SCLP) is a provider network which is part of SCL Health. SCLP provides medical care to individuals and families living in communities throughout the Denver metro and Boulder areas. This network is comprised of more than 40 primary care and specialty clinics and approximately 150 physicians and advanced practice clinicians. SCLP offers convenient options and services for patients and families. The providers are part of a nationally recognized, faith-based, health system with nine hospitals and hundreds of providers committed to sharing knowledge and best practices for safe, effective health outcomes.
